

Mail application to:

ISS 2006
P.O. Box 2430
Cleveland, TN 37320

ISS welcomes discussion in both large group and workshop settings. The symposium offers something for everyone, as topics range from financial planning to singles and sexuality. Other areas of focus include divorce recovery, single again, parenting, myths of single-ness, and singles and well-being and others. Resources for Singles Ministry will be available.

As a clinical psychologist and a registered nurse they are internationally recognized sex therapists, educators, and authors.

International Singles Symposium

Lee University Conn Center
Cleveland, TN

January 19-21, 2006

Step into something new....

Step into empowered singles living. The International Singles Symposium presents an opportunity for you to join with singles from across the globe for three days of Christian education and discussion. More than a seminar, ISS offers an honest approach to the single life through reknowned speakers who explore relevant topics.

Want to take the next step of your single life?
